# It Doesn't Have to End Like This

**The Big Picture ...**

Congratulations! You've finished Holy Discontent! Today's session focuses on one point - what now? We don't want it to end here. Information without application is useless. What will we do with what we have learned? This session gives us a chance to talk about what we have learned and challenge each other to take risks and apply the information.

**Prepare**

Read the postscript to Holy Discontent and reflect on what you have learned from the book and how you need to apply it.

**Ice-Breaker**

What is your favorite book you've ever read? Why?

## Discussion Time

**Read**

Read pages 147-149 together in Holy Discontent and discuss the study with the questions below.

**Discuss**

1. What did you like best about our study of Holy Discontent?
2. What challenged you?
3. What questions do you still have?
4. It's dangerous to look at concepts, get ideas, and then ignore them. Is there something God has given you a passion for you've been ignoring? How can you move toward that passion?
5. Based on what you have learned, what is your next step in following God based on these concepts?
6. Share any other thoughts or ideas from the study before moving to prayer

requests.

### **Close**

Take an extended time to share about each other's lives and pray for one another.
